

2012–2013 LSAC Verification of Nonfiling Form

LSAC has received your request to be considered for a fee waiver. When you entered your financial information on your request, LSAC guidelines considered you to be either of independent status or of dependent status (if you were required to complete income information for your parents).

It is necessary that each relevant person (including applicant, see below) submit a copy of their 2011 federal income tax form to LSAC. However, if any relevant person was not required to submit a 2011 federal tax form, he or she must follow the procedure outlined below.

1. Contact the Internal Revenue Service at www.IRS.gov to obtain verification of nonfiler status.
2. Each nonfiler must sign and date the appropriate section of the certifying statement below.
3. Attach this form and your verification form from the IRS to your Tax Form Cover Sheet (or if applicable, Appeal Cover Sheet).

NOTE: Be advised, nonfiler verification from the IRS may not be available before June 2012. Reporting of service ordered will be delayed until fee waivers have been finalized.

Any falsification of information presented to LSAC or a law school in consideration of a fee waiver application is subject to LSAC misconduct and irregularities proceedings.
